"PSTrax allows us to do a fabulous follow-up on every single thing that we do. We are true fans - it's affordable, it's easy, and I appreciate this company's support of our Fire Department."

FIRE CHIEF FRED WINDISCH, PONDEROSA FIRE DEPARTMENT

02 EASY TO USE

Powerfully dynamic to provide transparency into your operations, but extremely user-friendly for high adoption among crews and administrators.

"PStrax has exceeded our expectations in every way. We initially planned on using the platform for apparatus inventory and checks only. It has proven to be a lifesaver for our TCFP inspection in the areas of PPE and SCBA as well."

CHIEF TYLER SHIRLEY, HUFFMAN VOLUNTEER FIRE DEPARTMENT

03 EFFICIENCIES

We ensure first responders can perform their jobs in the safest and most efficient manner to better serve their communities. Here's how:

FRONT LINE CREWS

- »» Highly Adopted by Crews
- »» Streamline Work Effort
 - »» Know What to Check
 - »» Perform the Check
 - »» Document the Check
- »» Improve Communication & Morale
- »» Eliminate Redundant Systems

MID LEVEL OFFICERS

- »» Visibility into Agency Operations
- »» Increase Accountability
- »» Reduce Admin Time Locating Items
- »» Streamline Communications
- »» Simplify Training
- »» Increase Apparatus & Equipment Use-Life

COMMAND STAFF

- »» Improve Crew Safety
- »» Complete Documentation for Compliance, Audits and Claims
- »» Operate More Efficiently
- »» Reduce Labor Budget
- »» Accurate Budget Forecasting
- »» Successful Culture Change

"The biggest benefit to me is the communication between shifts. If something got taken out of service or if equipment was moved around, everyone knows about it."

CAPTAIN PETER MCELVANEY, BOULDER RURAL FIRE PROTECTION DISTRICT

BUILT FOR YOU. MANAGED WITH YOU.

We know each agency is as unique as the community it serves.

We take your apparatus, equipment and inventory checks and custom-configure a solution to your needs. After your platform is built, you have full control to add equipment and make all adjustments. Or, the PStrax team can make those changes on your behalf at no additional charge. We're like an administrative assistant that is here to help whenever you need it.
